

Bill of the Week - 1/26/26

## HB 1032

Department of Transportation; rest areas and welcome centers; adult changing stations.

### Bill Status

In Committee:  
House  
Transportation

### Key Points

- Provides that the Dept. of Transportation shall provide at least one adult changing station at all rest areas on interstate highways and welcome centers.
- Changing stations will be located either in one single-stall family restroom or one station in each of the men's and women's restrooms.
- The availability of adult changing tables increases the accessibility of rest areas and welcome centers.

### Impact on Virginians

By installing adult changing tables at rest areas, the Commonwealth will foster accessible, dignified, and safe travel for individuals with disabilities and their caregivers—supporting full community integration and resilience during long-distance travel.

### Bill Sponsor

Delegate Tony O. Wilt

**Republican - District 34**  
R - County of Rockingham (part);  
City of Harrisonburg
